

Fay J. Lindner Center for Autism and Developmental Disabilities

The Fay J. Lindner Center for Autism and Developmental Disabilities is a comprehensive outpatient assessment and treatment program that provides a wide array of behavioral and mental health services including:

- School Consultations and Advocacy
- Psychiatric Medication Management
- Psychological Diagnostic Assessments
- Psychoeducational Evaluations
- Neuropsychological Assessments
- Social Skills Therapy Groups
- Psychological Therapy

Our focus is in the development and implementation of comprehensive assessments and continuum of services for children and adults with autism, their families, and the professionals who serve them. ■
